WHY EBI?

AN ARRAY OF QUALITY, AFFORDABLE CHOICES FOR YOU AND YOUR EMPLOYEES

As an EBI Member, your organization can choose 2-4 plans from among our 9 Essential, Value, and Enhanced plans to offer full-time employees. Plan rules and employee eligibility criteria apply.

BETTER CARE/BETTER OUTCOMES

EBI has specialty support programs to help your employees navigate the complex healthcare system, identify best care options, and to access professional care management for serious conditions such as cancer, kidney disease, diabetes and organ transplant. We include free 24/7/365 telemedicine appointments to diagnose, recommend treatment, and prescribe medication.

AVOID OVERPAYING FOR MAJOR HEALTHCARE NEEDS

EBI assures that fair and reasonable prices are paid to health care providers and that you, your employees and the Plan are not paying for billing mistakes or over charges. This helps keep premiums under control. EBI also offers a price transparency service that provide upfront cost and quality transparency for both medical and pharmacy needs, and a Patient Advocate to help employees navigate the healthcare system.

NETWORKS

Employees can go to the hospital of their choice since they are not in a restricted hospital network with EBI. EBI's physician network is powered by PHCS, one of the nation's largest Independent PPO networks.

WHAT IS EBI?

EBI is the 501 c (9) nonprofit, self-funded Association-Sponsored Health Plan of LeadingAge Kansas, which represents faith-based and other nonprofit aging services providers throughout the state. Its sole purpose is to provide excellent, affordable employee health insurance and ancillary benefit options for LeadingAge Kansas members and their employees.

EBI ENTRY REQUIREMENTS

To become an EBI Member, your organization must be a LeadingAge Kansas member in good standing. To assure the financial stability of the Plan and protection of current Members, your employees and their dependents must undergo medical underwriting, and you must provide organization financial and administrative information.
